25X1 *  Comment. As compared with the last reported status, the total
25X1 number of four freight cars of four and more axles operating in the Soviet
25X1 Zone has hardly changed. On 19 January, 20 February, and 20 April
1952 a total of 3,411, 3,330, and 3,239 cars respectively were 
25X1  in the Soviet Zone of Germany.
